

IT'S CLEAR

T8 LED Tube Series

18W T8 LED Tube - 1200mm

Light output 1600 Lumens	Voltage 85-265 Volts	Energy used 18 Watts	Life span 25,000 HRS	Gurantee 2 Years	Equivalent 36 Watts
--------------------------------	----------------------------	----------------------------	----------------------------	------------------------	---------------------------

1. Replacement of 36W fluorescence lamp
2. BETOP's Private mode, built-in isolating driver
3. Life time >25000 hrs, 3 times than fluorescence lamp
4. Light source: Ultra-thin SMD solution, 3528@30mA, 192Pcs
5. Health protection: no UV/IR; more comfortable for vision
6. Environmental protection: zero Mercury; lower CO2 emission
7. Energy saving: electricity saving rate more than 50%
8. Lighting convenience: instant lighting-on with no flickering
9. Easy to using, compatible with general lamp-socket

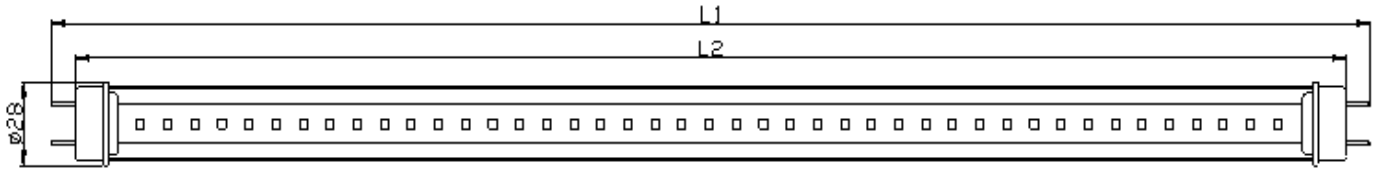

Specification

Mode	FT-LT8-1200-18AWW	FT-LT8-1200-18ANW	FT-LT8-1200-18ACW
Voltage Range	AC85-265V		
Frequency Range	50Hz/60Hz		
Power Consumption	18±5%		
Color	Warm white	Nature white	Pure white
CCT	2800-3200K	4000-4500K	5700-6100K
Lumen Output	1500Lm ± 5%	1600Lm ± 5%	1600Lm ± 5%
Luminous Efficiency	83lm/W	88lm/W	88lm/W
CRI	75		
Beam Angle	120°(Typical)		
Power supply	built-in isolating driver, Efficiency 0.9, PFC 0.9		
Operating Temperature	-20 ~ +40		
Storage Temperature	-40 ~ +80		
Fixture Material	Aluminum + PC(Transparent)		
Base	G13		
Dimension	L1200mm * 26mm		
Weights	500g		
Environment Protection	RoHS		
Safety Certification	CE		

Fortends Pty Ltd

Address: 8 Valiant Road, Holden Hill, SA 5088, Australia
 Tel: 08 72258178, Fax: 08 72258178
 website: www.fortends.com, Email: info@fortends.com

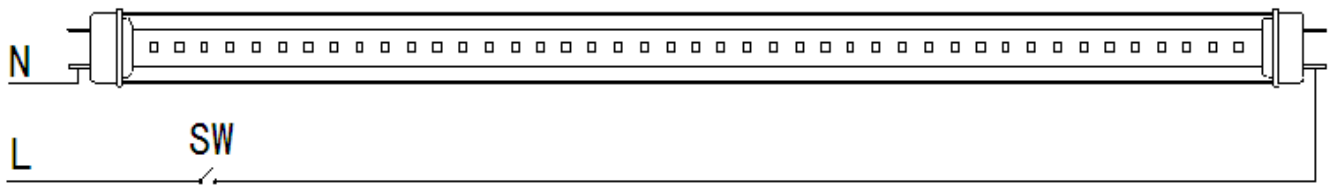

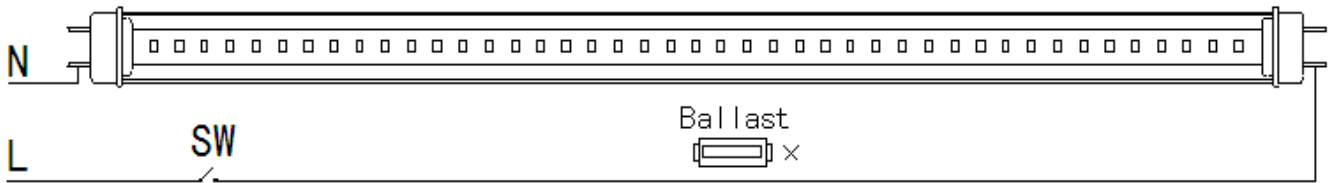

Dimensions

L1=1213mm

L2=1198mm

Installation Instructions

Package Information

Inner carton

Outer carton

Length	Inner carton	Outer carton/20PCS	Gross weight
600mm	Ø37*615mm	650*200*160mm	6.5KG
1200mm	Ø37*1235mm	1250*200*160mm	12KG
1500mm	Ø37*1535mm	1550*200*160mm	15KG
